## Аннотация

Методический сборник представляет собой систему дополнительных упражнений по формированию навыка пересказа текстов к УМК “Starlight 5”.

В каждом модуле в разделе “Skills” представлены тексты, затрагивающие различные сферы жизни, такие как: спорт, история, выбор профессии, культура и развитие технологий. В связи с тем, что данный раздел является дополнением к основному материалу учебника, то там нет подробной отработки лексики, а также упражнений на закрепление пройденного материала.

В процессе работы с разделом “Skills” обучающиеся сталкиваются с трудностями в процессе подготовки к пересказам текстов, поэтому было принято решение составить данную рабочую тетрадь в помощь ученикам. Это поможет снять трудности при подготовке к урокам и чувствовать себя более уверенно.
